Ms. Elena Halpert-Schilt announced the LA Best Babies Network is planning a shared BBC, HBLC, and Care Quality event scheduled for November 15, 2006, titled "Healthy Births Through Healthy Communities: Partners Symposium."

This event will be a follow-up to our "Healthy Births Through Healthy Communities Town Hall: A Call to Action," held last September, and is intended

to provide a forum for BBC and HBLC members to share their accomplishments, update and communicate with one another. This will also give us the opportunity to provide skill-building training sessions to the attendees. We will be asking each of the Collaboratives to prepare a theme-based poster focused on one of the following topics:

- Lessons Learned
- Challenges and Solutions
- Top 3 Accomplishments
- Activities and Outcomes
- Our focus is On... (core approaches, priority issues, etc.)
- Events We Held
- Materials We Developed
- What's Next For Us

This poster will be exhibited at the symposium.
