Job Announcement **Case Manager Supervisor Healthy Birth Initiative**

Full Time

Your talents make the difference.

At Citrus Valley Health Partners, we recognize that our reputation for excellence depends on our talented employees. Our community hospitals, Inter-Community, Queen of the Valley, Foothill Presbyterian and Hospice & Home Health contribute to brighter futures for our patients, staff and community. Join us and be part of our healthcare tradition.

The selected individual will co-lead an important community initiative – the San Gabriel Valley Best Babies Collaborative (SGV BBC) - with a Program Manager in the development, implementation and problem solving for a two-year client care plan for high risk women during pregnancy, post partum and inter-conception care. The Case Manager Supervisor will also supervise five (5) case managers and participate in all Quality Improvement Program activities.

Qualified candidates must have two years experience in a case management role. **Experience in maternal and child healthcare preferred. Candidate must also have a Master's in Social Services.** Must be able to have Spanish verbal and written language skills. Good psychosocial skills and ability to work in team structure a plus.

We offer a very competitive compensation package.
