<p>Co-Chair: Anthony Young</p>

1. Welcome and Introductions

Icebreaker

The Center for Healthy Births (CHB) staff facilitated an icebreaker.

2. Business

LABBC-Center for Healthy Births Update

- **Town Hall:** September 22, 2005. There were 164 participants representing 113 organizations of Los Angeles County. From the information exchanged at the round tables the Center was able to create informational posters to be displayed at the Perinatal Summit. The information was also transferred into part of a document that would be presented to health care leaders the second day of the Summit. Such topics as Priority Areas, Desired Results and Actions were discussed.
- **Perinatal Summit:** October 24-24, 2005. There were 170 participants representing 60 organizations at the Summit. The goal to identify the five key perinatal issues and recommended intervention for systems change to be presented to health care leaders on the second day of the summit was accomplished. Health care leaders did make a commitment to the recommended interventions. A report will be released January 2006 containing further information about their commitments.

- **Leadership**

Ms. Tamara Terrell-Walker talked to the group about the importance of having a third co-chair. A handout was distributed stating the roles and responsibilities for the co-chair, we have no volunteers at this time. Members who are interested in this position can email Ms. Irma Radillo at: iradillo@labestbabies.org.

3. Group Discussion

- **Action Plan**

The group reviewed the priorities in SPA 6:

- Men and Pregnancy
- Teen Pregnancy
- Sex

After a discussion the group decided that they want to identify current services available in SPA 6 area regarding Teen Pregnancy and Males and Parenting. Two sub-committees were created and they will report back their research at our next meeting. (Please see attachment)

The group also mentioned they hope to develop a Referral System that will include all agencies participating in this collaborative, and will include all providers of related services.

We encourage SPA 6 HBLC members who missed our last meeting to get involved in one of the sub-committees, we need your input and expertise at the table.

Next Meeting

Our next meeting will be December 14, 2005 from 9:30 a.m. – 11:30 a.m.

Location:

Daniel Freeman Hospital

333 North Prairie, Inglewood CA 90301

Medical Education Board Room
