3. Discussion

- Review Resource Guide Format

Some members suggested including other agencies outside of SPA 6 area offering Sex Education, Teens Services, and Men and Parenting Services in our resource guide. Others thought we should only state agencies in SPA 6. The group agreed to include other agencies outside of our SPA in a different section. We will forward other contact information to Mr. Donovan so he can incorporate new agencies to our resource guide.

Ms. Peggy Cansler will get a copy of the resource directory developed by the BBC in SPA 6 and will forward that information to Ms. Radillo, we will incorporate pertinent information in our resource guide.

The group discussed that we are not familiar with all the agencies participating at this meeting. To increase knowledge about services offer by agencies represented at this collaborative, we will use an existing resource form that Ms. Angel Hopson volunteered to modify and each of us will complete the form and email it to Ms. Radillo by May 12, 2006.

- **Future Planning**

The group discussed different ideas to develop our next action plan for SPA 6. It was suggested to utilize the Resource Guide we developed and distribute packages among high schools and CPSP private providers.
