2. Business

- Forums Registration in-Service

Ms. Kira Jeter from La Best Babies Network gave us an in-service on how to register and became a part of the forums.

These forums will serve as an electronic venue for enhancing communication, collaboration, info-sharing, and technical assistance among collaborative members to discuss issues related to pregnancy and birth.

- **New organizations showcase**

Ms. Pamela Thompson elaborated on the numerous services provided by Crystal Stairs, and also Maria Padilla-Castro gave as an overview of the services provided by Women, Infant and Children "WIC".

The presentations helped heighten the groups' awareness of the services provided by these organizations in our area.

- **Review samples of referral systems**

In our last meeting the group agreed to bring in samples of referral systems, to continue with our plans in developing a Referral System. However, since the group did not bring samples they decided to create a Resources Directory instead, starting with the organizations researched in November 2005. Mr. Kevin Donovan from LA DHS MCHA volunteered to develop a format to collect all the necessary information.

- **Co-chair nominations**

Ms. Pamela Thompson from Crystal Stairs and Maalik Muhammed from LA Best Babies Network accepted the co-chair positions.
