3. Discussion

- **Postcard Update**

Members suggested the following changes to the postcard:

- Incorporate different pictures representative of African American and Latino teenagers.
- Selected lime green as the color for the front side of the card.
- “Got Issues” will be the text on the front side of the card, “Get Answers” the text for the inside of the card and “Get Connected” for the back side.
- Ms. Claudia Molina and Dia Bell volunteered to get estimates for the production of the card.

- **LA Best Babies Network Update**

Ms. Irma Radillo announced the LA Best Babies Network is planning a shared BBC, HBLC, and Care Quality event scheduled for November 15, 2006, titled “Healthy Births Through Healthy Communities: Partners Symposium.”

This event will be a follow-up to our “Healthy Births Through Healthy Communities Town Hall: A Call to Action,” held last September, and is intended to provide a forum for BBC and HBLC members to share their accomplishments, update and communicate with one another. This will also give us the opportunity to provide skill-building training sessions to the attendees. We will be asking

each of the Collaboratives to prepare a theme-based poster focused on one of the following topics:

- Lessons Learned
- Challenges and Solutions
- Top 3 Accomplishments
- Activities and Outcomes
- Our focus is On... (core approaches, priority issues, etc.)
- Events We Held
- Materials We Developed
- What's Next For Us

This poster will be exhibited at the symposium.

- **Poster Construction**

The group discussed the poster categories and selected their theme: "Top 3 Accomplishment" and "Materials We Developed". A committee consisting of Felica Jones, Dia Bell and Elizabeth Gant, was created to work on the poster project.

The group discussed the poster content and decided they want to use the following materials:

1. SPA 6 HBLC Mission and Vision Statements
2. Materials created by the group, for example our Resource Directory, and the Postcard
3. Pictures (extra pictures will be taken at the September meeting)
4. List of agencies currently attending the SPA 6 HBLC meetings.
5. Cover for the Resource Directory (Ms. Gant volunteered to develop the cover for the resource guide)

The committee agreed to work on the poster September 27, 2006, after our SPA 6 HBCL meeting. The committee is expected to prepare a poster summary. (See poster Production Guide attachment)

4. Next Steps

Ms. Felica Jones mentioned she has volunteers at her organization and they will be making phone calls to current and previous SPA 6 HBCL members to invite them to our next meeting.

At the next meeting Mr. Kevin Donovan from LA, DHS will be talking about Perinatal Periods of Risk (PPOR) Data.
